

I am a very loyal fan of xm radio! I pay for my monthly fee and in return XM gives me a wide selection of channels. If you change one thing about this, you are taking away our First Amendment!!! I benefit from listening to XM Satellinge Radio and its traffic and weather channels. I can NOT get that any where eles!! I pay for these services and it SHOULD NOT be up to the (NAB) to dictate what I am permitted to listen to. I urge the FCC to reject the NAB's petiton 04-160 and I support XM's ability to provide the kind of programming that I DEMAND AND DESERVE!!!!
yours truly,

JOHN DEAL
